J. A. Johnson, Mrs. Lynch & children.
DEPARTURES.
BY TRAIN A. C. HARRISON LINE:
Y. R. Cranley, Mrs. Magie Lathin, Col. Ellis.

THE RACES will commence to-morrow (Friday) and last for two days. The bill of fare is a tempting one, and likely to afford considerable sport. Pool selling will commence this evening at the club rooms.

FOR PANAMA.—We hear of one or two parties fitting out for the above region. They had the same experience that this local had in those mountains about 15 years ago, when they would not be anxious for further acquaintance.

PEACE SPEAKING.—Yesterday Messrs. Bishop and Yale, also J. R. Kirtland went to Hamiltonville to address the citizens of that place. We understand that the orators of both parties were to speak from the same stand.

BILLY THE STAGE BOY will run his new stage coach to the Highland ball this evening, leaving Piche at 7 p. m. Fare for round trip \$2.50. Parties wishing to go can leave their names at Kasten's or at the residence of Meadow Valley and Main street.

LET US.—Yesterday morning Messrs. Hillhouse, Cranley and Col. Ellis left for the West. These gentlemen are all old friends of ours, and we wish them success in everything but politics.

JOCKEY CLUB.—A meeting of the members of this association will be held this evening at 8 o'clock at the rooms of the club.

LATE.—What with bad roads and we have a change of time at the Eureka end of the route, the Hamilton stages come in quite late.

BILLY, the Stage Boy, will run his Concord coach daily to the races on Friday and Saturday.

ONE of the "Girls" attempted suicide last evening. Not very successful at last accounts.

TO ARRIVE.—Judge Belknap and C. Gifford will arrive this evening by the Hamilton stage.

BULLIONVILLE.—The number registered when the books were closed, was 189.

PANAMA.—Fifty-six voters were registered at Panama.

ROSE VALLEY.—Nineteen names appear on the register of this precinct.

DRY VALLEY.—The list of registered voters at Dry Valley includes 67 names.

WILL CLOSURE.—The entries for the races will close this (Thursday) evening.

Mrs. WATSON's lodging-house, on the Divide, was burglarized last night. The thieves chloroformed two men who were lodging in the same room, and then carried off whatever articles of wearing apparel were lying around loose. They also carried their trunk out, breaking it open and rifling it of a quantity of jewelry and clothing. The men who were chloroformed knew nothing of the transaction until morning, when they found themselves minus their valuables, pocket money, etc. Miss Rosa Wood's lodging-house, situated a few doors above St. Patrick's Church, in Gold Hill, was also visited by burglars last night. The thieves captured from a lodger a gold watch, a gold chain valued at \$300. Another lodger was robbed of \$25.00 in coin. The thieves attempted to enter the room of Mr. Buckmaster, a compositor in this office, but were deterred by the presence of a dog. Buckmaster is of the opinion that if any thief tries to enter his room again, the matter will make matters lively for him. An attempt was made to break into Constable Harkin's office this morning. Constable Harkin hearing the noise made by the would-be burglar, sprang out of bed, seized his pistol, and ran to the front door, but was a trifle too late to get a shot at the thief, who beat a hasty retreat. (G. H. News, 17th.)

J. DAKIN, of Huntington Valley, whilst engaged in some way near a horse on his ranch, received a kick in the face from the animal. The first report was that he had been fearfully mangled, but we are pleased to record the first report of an exaggeration and Mr. Dakin's injuries but slight. (Elko Independent, 17th.)

SEABORN's chances for the Nevada Senatorship are picking up every day. He is now looked upon by the people as a sharp as the coming man. (S. F. Stock Report.)

In a row this forenoon, the origin of which we do not learn, Tommy Flannigan had his scalp badly cut by a blow from a billiard cue in the hands of Johnny Bohon. (Silver State, 16th.)

In consequence of the public speaking of Col. A. C. Ellis on Tuesday evening, the 20th inst., Mrs. Drew has postponed her ball until the evening of Thursday, the 22d inst.

SPECIAL TO THE POCHE DAILY RECORD.

Eastern Dispatches.
WASHINGTON, Oct. 20.—It is the opinion of the best informed of the friends of the administration in this city, that Williams will retire from office before the beginning of the next session of Congress, and that his name will be sent to the Senate for the Russian mission. The delay in the appointment of a successor to Jewell is accounted for on the ground that Williams will not allow his name to be sent to the Senate unless he is certain of confirmation.

NEW YORK, Oct. 21.—The opponents of the Tammany Hall Democracy in meeting last night, nominated Oswald Ottendorfer for Mayor, and Patrick H. Jones, late Postmaster of this city, for Register.

Immediately after morning prayer to-day, the general convention of the Protestant Episcopal Church, went into secret session. A startling rumor was spread among the deputies of the lower houses, to the effect that the desk in the meeting room of the lower bishops had been forced open, and papers relating to the Bishop elect, Seymour, had been abstracted. The members of the House of Bishops maintain the strictest silence with regard to the matter. The church gardens and sections of the opinion that the papers have been seized by some of the pages who had been arranging the room, and the desk having been left open, papers were taken by them under the impression that they were not of any use. Search has been instituted for the documents.

Pacific Coast.
SAN FRANCISCO, Oct. 21.—The public interest in the great \$25,000,000 running race to be given Nov. 14th, under the auspices of the Pacific Jockey Club, increases as the time approaches. There were an immense number present at the Lick House to witness the final betting. There were eight nominations, as follows: Thad Stevens, Katie Pease, Hubbard, Henry, Joe Daniels, Alpha, Hooking and Hardwood. The officers of the club received dispatches that other parties had forwarded entries by mail and express, which will come in due time. Three thousand dollars was offered for the privilege of selling pools on the race, and heavy wagers have already been made. The race bids fair to be even more exciting than the great running race of last year, when Thad Stevens came out victor.

The following is a summary of the news: The French Government is pushing a demand for opening the entire Empire to foreigners. The correspondence shows a disposition to wrest this concession from Japan in spite of the numerous obstacles.

LONDON, Oct. 21.—Advices from Berlin represent public sympathy to be increasing for Count Von Armin on account of the harshness with which he is treated and the rigor of the domiciliary searches.

The Cahills have been creating considerable excitement in this city to-day, and are anticipated as high as "the end of the world." Tom Cahill has been appointed Superintendent of the Cosmopolitan mine, but nobody can tell Tom from John; and while it is understood that John is going away, it is a matter of speculation as to whether John won't jump the superintendency and Tom leave town through mistake. (Virg. Chronicle, 17th.)

The Chollar Pottery Company have again commenced to take on from their croppings west of B street, near the old hoisting works. A few years ago the mine was a large quantity of good millstone, and a part of it was used to work in the same locality again, with good results. (Virg. Chronicle, 16th.)

A serious affray took place last evening which may possibly result in the death of a woman known as "Broncho," a character well known in town. A band of Italian musicians were playing in front of her door, when a Mrs. Lake, the adjoining tenant and antiquated member of the flock of "soiled doves," ordered them away. Broncho insisted on their remaining, and a few words passed between the two women, when Mrs. Lake went to her room, returning immediately and going into Broncho's room, drew a long knife and stabbed her in the head, inflicting a very dangerous wound over the left temple, the knife penetrating the skull. At last accounts the patient was alive, and asleep from the effects of morphia. The wound is three and a quarter inches in length, and one of the arteries is severed. Mrs. Lake was arrested. (Eureka Sentinel, 18th.)
